Commander's Report

Hello Legionnaires;

Once again we can update our website. The Commander's computer went out but that problem has been fixed.

We had several guest speakers at the August Meeting which consisted of the 2nd District Commander & Vice Commander and the Ft Scott post Commander. Joe Harvey spoke to the membership during dinner about the Battle Field Cross for display at our post along with a plaque to hang above it, you are invited to stop by during our open hours to see it for yourself.

The Flag Retirement Ceremony will be on October 26, 2019. American Legion Dorsey-Liberty Post 14 received several certificates, one for having 100% reporting which means that we sent to the Department all the reports that they requested from us. The 2nd District Children & Youth Award for submitting the most outstanding report. And we also got a Boy State Appreciation for Sponsorship of the Boys going to Boys State, we sponsored 7 boys this year.

April Trevino, Commander

Vice-Commander's Report

The storage shed has arrived and will be utilized very soon. The Fleet Reserve Association for the MO-KAN Branch & Unit 161 puts out their paper for the USN, USMC & USCG and it consists of memorials, meeting information and upcoming events.

Don Weis, Vice-Commander

Adjutant's Report

The adjutant made copies of the previous month minutes for the E-board members. Provided information about the media platforms that he has set up in order to communicate with more of the public. He will be starting to process the membership renewals online which will allow them to be processed quicker in an attempt to stop those

renewal notices and to save money with mailing expenses.
