2019 Newsletter Introduction

This is the first newsletter for the 2019 100th year of the American Legion. I am happy to report that our website is up and running again. We have had several different types of issues that had plagued our website and internet excess. Thankfully we had several members help us get back from the abyss and they know who they are, thank you!!

The site will be updated as soon as new information is presented. The post promises to keep you up to date as best as we can. As a reminder, if you are reading this and would like to receive updates ASAP, please send us an email, letting us know who you are, and that you would like to be added to the email list (address on cover page). We always welcome our members, veterans, and community to come and visit.

Sincerely,
April Trevino
Commander

Commander's Report

Hello Everyone;

Let me introduce myself, my name is April Trevino. I received my membership into the American Legion by serving in the US Army for 10+ years with an honorable discharge. I served during several war/conflict periods.

My first volunteer position here at the Dorsey liberty post 14 was the honor guard firing squad, then was elected as your Adjutant which I have been doing for 2 years now and still counting. I also was elected the 2nd year executive committee woman for 2nd District representing Post # 14.

During the April 2019 election I was elected as your Commander. To my surprise I am the First Woman Commander for Dorsey Liberty Post #14, Lawrence KS. I am honored to be the First Woman Commander and hope I will not be the last.

I am looking forward to serving as your Commander this 2019-2020 year. I would like to invite our veterans and legionnaires who live in Lawrence KS to come by Post #14 to look around and for a chat.

NOTE: Memorial Day Services will be on May 27, 2019 @ 10 AM at the Veterans Plot, Oak Hill Cemetery. Hope to see you all there.

April Trevino, Commander

1st Vice-Commander's Report

Announcing that Post #14 has a new 1st Vice Commander his name is Santino Williams. I am sure he will have a report once he settles in to his new job. Thank you, Santino for accepting this position.

2nd Vice-Commander's Report

The BPI cleaning service is no longer working for our post. However, the post has hired a new cleaning team which will be or has already started.

Don Weis, 2nd Vice-Commander

Adjutant's Report

Membership renewals have dropped off considerable for March and nothing for April as of this date. However, we have had 88% of our 365 members that have renewed for 2019 leaving us only 12% of our membership that has not renewed. If you have not renewed your 2019 membership there is still time to do so. During the 2nd District Convention which I had attended, it was announced that Dorsey-Liberty Post # 14, Lawrence, KS will be hosting the 2nd District Convention to be held on March 21, 2020.
